

Drapers Field

There are plans for the Olympic Development Agency to use the field as a car park for the duration of one year. Originally it was needed for two years, but the council negotiated the time span down to one.

Lib Dem Cathall Focus Team visiting Drapers Field under threat from the Olympics

As part of the 'legacy' development of the field, (for when the Olympics are over), a consortium of organisations in the area have suggested that a residential development be built on the northern fringe of Drapers Field. However this suggestion has not been adopted by Waltham Forest Council. In fact a council officer has told Lib Dem Cllr Milton Martin that such a scheme is **highly unlikely to go ahead**. The officer considered it as 'unrealistic'.

During the summer of this year a full consultation will be carried out in the community to find out what local residents wish the future of Drapers Field to be.

The Focus Team will keep you informed of developments.

Cathall Road W14 Bus Stop

Liberal Democrat Focus Team member Shahid Majid has been making enquiries about the state of the much awaited bus stop in front of the Leisure Centre. He has discovered the the engineer in charge of this project is working with British Gas, B.T. , and Virgin Media to divert their services, (currently being done), so that the stop can be installed during the next few weeks.

Parliamentary Candidate
Cllr Farooq Qureshi

Result of the last General Election

We want to hear from YOU

Name _____ Tel. No. _____
Address _____ E. Mail _____

I think something should be done about.....

I would like to help the Lib Dems

- ☐ I can display a poster
- ☐ I would like to help to deliver **Focus** in my area
- ☐ I will make a donation towards the cost of **Focus**
- ☐ I can help on polling day

RETURN TO: THE FOCUS TEAM, 45 STEWART ROAD E15 2BA

The Liberal Democrats may contact you from time to time to keep you informed on issues we think you may find of interest. Please let us know if you do not wish the information above to be used for this purpose.

Potholes

Due to the weather a number of potholes have appeared in our roads. The Focus Team has been reporting these to the Council. The Council has temporarily filled in over a thousand holes and are trying to fill in the rest; unfortunately the continuing frost is causing more holes to appear.

Recycling update

Focus Team member Joe Dyer has good news - from April 1st residents will be able to re-cycle yoghurt pots, food trays, plastic bags and drink cartons - these were previously not recyclable.
